## PRODUCT OVERVIEW

Easy-clean wheelchair tray that provides a stable surface for meals, reading, activities, and personal items; chair fit must be confirmed.

- Mobility and transfer support
- Fit and capacity confirmed
- Care-setting configuration reviewed

Catalog reference only. Final manufacturer, model, packaging, dimensions, performance, labeling, lead time, and regulatory status are confirmed before purchase or use.

# DETAILED SPECIFICATIONS

Procurement reference for the selected GDI catalog configuration.

| ATTRIBUTE             | CATALOG SPECIFICATION                        | ACCEPTANCE / VERIFICATION NOTE                       |
|-----------------------|----------------------------------------------|------------------------------------------------------|
| Catalog item          | Wheelchair Lap Tray                          | Use slug below as the purchasing reference.          |
| GDI catalog SKU       | WHEELCHAIR-LAP-TRAY                          | Confirm quoted configuration against this reference. |
| Category              | Mobility Aids                                | Intended procurement classification.                 |
| Unit of measure       | per piece                                    | Pack and labeling confirmed with the order.          |
| Minimum order         | 20 units                                     | May vary by configuration and destination.           |
| Order availability    | Both                                         | Retail and wholesale eligibility may differ.         |
| Manufacturer / model  | Confirmed before order acceptance            | Legal manufacturer record remains controlling.       |
| Material              | Refer to current manufacturer documentation  | Do not infer material from catalog photography.      |
| Dimensions / capacity | Configuration-specific confirmation required | Verify current drawing, capacity, and tolerances.    |
| Compliance records    | Available on request when applicable         | Request IFU, SDS, COA, clearance, or lot records.    |

## QUALITY AND ORDER CONFIRMATION

Before purchase or use, verify the selected manufacturer, model, materials, dimensions, capacity, performance, regulatory status, expiration, packaging, and clinical suitability against current manufacturer documentation.

No substitutions or configuration changes should be accepted without purchaser approval.
